JULY 1972

COMMUNICATIONS SERVICES
PUBLICATIONS INDEX

CONTENTS

Dear Customer:

This listing of Digital handbooks, and software and hardware manuals has been prepared to assist you in submitting purchase orders for these publications.

Purchase orders from customers located in the United States should be sent to:

> Digital Equipment Corporation
> 146 Main Street
> Maynard, Massachusetts 01754

ATTN: Software Distribution Center -- For software documents.
ATTN: Communications Services -- For all others.

Customers located outside the United States should send their purchase orders to their local Digital representative (see back cover for office address). Prices listed in the index are in US dollars and apply only to purchase orders from US customers.

Quantity discounts are granted for case lot purchases based on the following formula:

NUMBER OF CASES	DISCOUNT TO EDUCATIONAL INSTITUTIONS	DISCOUNT TO OTHER CUSTOMERS
1-4	25%	10%
5-9	30%	15%
10	35%	20%
11 or more	40%	25%

Number of copies per case for handbooks is given opposite the titles in the index. For manuals, where case quantities are not listed, thirty copies of the same publication will be considered a case.

Additional quantities of the same item in excess of case lot quantities, but less than a full case, will also be discounted. Total cases in a single order may be counted together to reach a higher discount level but copies or cases are not cumulative from One order to the next.

Prices are exclusive of all taxes and are subject to change without notice. Shipping charges are the responsibility of the purchaser and will be included on the invoice.

For orders totaling less than $30.00, Digital will pay shipping charges if check or money order is enclosed with order. Customers requesting special handling or delivery, however, must pay for extra charges incurred.

All sales are final. Goods ordered and shipped may not
be returned for credit. Checks and money orders should
be made payable to Digital Equipment Corporation. Terms
are net 30 days. Unless otherwise specified by purchaser,
Digital will ship via most economical method.

Purchase order must show shipping and billing addresses
and must indicate whether or not a partial shipment will be
accepted.

A price list of other software documents, such as, maindecs,
paper tapes, and mag tapes, is available on request to the
Software Distribution Center.
