**After loading the Information Resources CD-ROM
please install patch 1462.**

Directions:

Insert the IRIX Patches 6/96 CD into the CD-ROM drive.

Open a shell as root, and type the following
command lines:

```
# inst -f/CDROM/dist/patch1462

Inst> install *

Inst> go
```

Supportfolio™

Support*folio*™

Welcome to the Future of Support

SiliconGraphics
Computer Systems

Support*folio*

Welcome to the Future of Support

Step into the future with Supportfolio, a new suite of leading-edge support tools from Silicon Graphics. This highly integrated suite of electronic support tools is designed to help you maximize productivity on your Silicon Graphics® workstation.

Use these tools to become self-sufficient in basic IRIX™ system administration, as well as to access a wealth of support information. With Supportfolio, we've made finding solutions from your desktop quicker and easier than ever before!

Check us out at
http://www.sgi.com/Support/folio.html

This **Supportfolio–Information Resources 6/96** two-CD package contains an **Information Resources** CD and an **IRIX Patches** CD. Information Resources contains support tools and reference materials, and IRIX Patches contains an archive of released patches for the IRIX 5.3 and 6.2 operating systems.

Here's an introduction to the products you'll find on this CD:

InfoNav Information Navigator allows you to navigate across various information sources to find support information. Whether it's information in a man page, an IRIS InSight® book, or on the World Wide Web, Information Navigator delivers it to you with a click of your mouse. Use the Information Navigator to access:

TaskCards/TaskPros
When you need step-by-step task assistance, TaskCards and TaskPros are there to guide you. Whether you need to create a new directory, install a printer, or add a disk drive, you can use TaskCards and TaskPros to complete your task quickly and easily. With our interactive interfaces, you can get as much or as little assistance as you require.

PatchFinder

Navigate graphically through our patch database and retrieve patches electronically! In addition, PatchFinder highlights include: patch sorting by product category and patch labeling for "recommended" and "new" patches. Once installed, PatchFinder makes getting the right patch easier than ever before.

In addition to these new tools, you'll find the up-to-date information that we've supplied to you in the past via Support Advantage, including Questions and Answers, Reported Software Change Requests, Computer-based Training Catalogs and more.

Supportfolio On-Line
Our Web site at **http://www.sgi.com/Support/folio.html** is the place to check out news and information about Supportfolio.

What's Next
You'll continue to receive updates to Supportfolio every quarter. For those of you who have received Support Advantage in past quarters, Supportfolio is your replacement. We look forward to bringing you a new level of support performance! As always, we welcome your questions and comments. Please send e-mail to **supportlib@sgi.com**.

Sincerely,

The Supportfolio Team

There are two main applications on your **Information Resources 6/96** CD: Information Navigator and PatchFinder. PatchFinder must be installed on your disk drive. Information Navigator can be installed on your disk drive or to conserve disk space, viewed directly from your CD. Please read the following information for an installation overview.

Installing Supportfolio–Information Resources 6/96

Installing the entire **Information Resources** CD on your disk drive requires the following:

> • a system running the IRIX 6.2 or 5.3 operating system
>
> • 71MB of available disk space

NOTE: if you do not have enough available disk space, you can view Information Navigator directly from the CD-ROM and choose to install PatchFinder only. See the instructions below.

To install, insert the CD labeled **"Supportfolio–Information Resources 6/96"** into the CD-ROM drive and take the following steps from your desktop:

Select "Software Manager" from the system toolchest. Once it displays, enter the following in the "Available Software" field:

> /CDROM/dist/lib_62   (to install on IRIX 6.2)

or
/CDROM/dist/lib_53   (to install on IRIX 5.3)

Click on on the button that reads, "Install Automatically," then click on the button that reads, "Start." Software Manager will notify you when installation is complete.

To View Information Navigator from CD

If you do not have enough available disk space to install the "Supportfolio – Information Resources CD", you can access Information Navigator directly from the CD-ROM. Insert the CD labeled "Supportfolio-Information Resources CD" into the CD-ROM player. Double-click on the CD-ROM icon on your desktop. Once the window opens, double-click on the "CDstartme" icon inside. Information Navigator will take a few minutes to load.

If you are viewing Information Navigator from CD, the following instructions will tell you how to install PatchFinder ONLY from the "Supportfolio – Information Resources 6/96 CD".

Installing PatchFinder Only

PatchFinder requires the following:

- a system running the IRIX 6.2 or 5.3 operating system

- 5MB of available disk space

Insert the CD labeled **"Supportfolio-Information Resources 6/96"** into the CD-ROM player. Select "Software Manager" from the system toolchest on your desktop. Once the Software Manager interface is displayed, enter the following in the "Available Software" field:

> /CDROM/dist/lib_62   (to install on IRIX 6.2)
> or
> /CDROM/dist/lib_53   (to install on IRIX 5.3)

Click on on the button that reads, "Customize Installation," then select the following for installation:

> PatchFinder Client Software, Release 1.0
>
> Patch Server, Release 1.0
>
> ES Auto Update Software, Release 2.0

Then click the button labeled "Start." Software Manager will notify you when installation is complete.

Configuration Instructions

To Access Patches via the Internet

Determine if you have direct Internet access by taking the following steps in a shell:

> /usr/etc/ping patches.sgi.com

You should see results like this:

> PING patches.sgi.com (192.82.208.5): 56 data bytes
>
> 64 bytes from 192.82.208.5: icmp_seq=0 ttl=251 time=30 ms
>
> 64 bytes from 192.82.208.5: icmp_seq=1 ttl=251 time=60 ms
> patches.sgi.com PING Statistics
>
> 2 packets transmitted, 2 packets received, 0% packet loss

If not, read the on-line release notes, otherwise continue with these steps:

> % su
>
> # chkconfig patchsvr on (to turn the patch server on
> automatically upon reboot)
>
> # /usr/sbin/patchsvr -i

Your server is now initialized. See the following instructions to launch applications.

To Access Patches from the IRIX Patches CD

Insert the **IRIX Patches 6/96 CD** into the CD-ROM drive, and type:

> % su
>
> # chkconfig patchsvr on (to turn the patch server on)
>
> # /usr/sbin/patchsvr -l /CDROM &

To launch Information Navigator, take the following steps:

1. Select "An Icon" from the Find toolchest.

2. Type "infonav" (lowercase) in the test field provided.

3. Double-click the infonav icon that appears.

(Information Navigator may take a few minutes to load.)

4. Drag the icon onto the desktop for future use.

To launch PatchFinder, take the following steps:

1. Select "An Icon" from the Find toolchest.

2. Type "patchfinder" (lowercase) in the test field provided.

3. Double-click the patchfinder icon that appears.

5. Drag the icon onto the desktop for future use.

Viewing On-Line Release Notes

To view release notes from a graphics terminal, place the CD in the
CD-ROM drive, open a UNIX® shell, and type:

      /CDROM/CDgrelnotes   (for graphics terminals)
      or
      /CDROM/CDrelnotes   (for non-graphics terminals)

SOFTWARE LICENSE AGREEMENT

THIS IS A LEGALLY BINDING AGREEMENT BETWEEN YOU AND SILICON GRAPHICS, INC. ("SGI"). BY BREAKING THE SEAL ON THE PACKAGE CONTAINING SILICON GRAPHICS SOFTWARE PRODUCT, AND/OR BY USING THE ENCLOSED SOFTWARE OR ITS DOCUMENTATION (the "SOFTWARE"), YOU ARE AGREEING TO BE BOUND BY THE TERMS AND CONDITIONS OF THIS AGREEMENT, INCLUDING THE SOFTWARE LICENSE AND DISCLAIMER OF SOFTWARE WARRANTY BELOW. PLEASE READ THIS DOCUMENT CAREFULLY BEFORE OPENING THE PACKAGE AND USING THE SOFTWARE. IF YOU DO NOT AGREE WITH THE TERMS AND CONDITIONS OF THIS AGREEMENT, YOU SHOULD PROMPTLY RETURN THE UNOPENED PACKAGE AND THE SOFTWARE TO THE PLACE WHERE YOU OBTAINED IT, AND YOU WILL BE GIVEN A FULL REFUND OF ANY LICENSE FEE THAT YOU PAID FOR SUCH SOFTWARE.

1. GRANT OF LICENSE; SOFTWARE USE RESTRICTIONS. In consideration for your payment of any applicable license fee and/or your purchase of an SGI workstation or server product (an "SGI System"), SGI hereby grants to you a personal, non-transferable (except as expressly provided in Section 4 below) and non-exclusive right to use and execute the SOFTWARE on a single SGI System, without right to sublicense the SOFTWARE. Under no circumstance may you store, use or allow the use of the SOFTWARE in any manner on more than one SGI System at one time. You agree that you will not reverse engineer, decompile or disassemble any portion of the SOFTWARE. If you dispose of any media or apparatus containing SOFTWARE, you will ensure that you have completely erased or otherwise destroyed any SOFTWARE contained on such media or stored in such apparatus. Except as expressly provided in Section 4 below, you may not distribute, lease, transfer for profit, loan or otherwise convey the SOFTWARE or any portion thereof to anyone.

2. COPYING RESTRICTIONS. In order to effect your license rights hereunder, you may install the SOFTWARE by copying it onto the hard disk drive or into the CPU memory of an SGI System for use thereon, and you may make full or partial copies of the SOFTWARE, but only as necessary for backup or archival purposes. You agree that (i) your use and possession of such copies shall be solely under the terms and conditions of this Agreement, and (ii) you shall place the same proprietary and copyright notices and legends on all such copies as included by SGI on the media containing the authorized copy of the SOFTWARE originally provided by SGI.

3. OWNERSHIP OF SOFTWARE AND MEDIA. You agree and acknowledge that SGI transfers no ownership interest in the SOFTWARE, in the intellectual property in any SOFTWARE or in any SOFTWARE copy, to you under this Agreement or otherwise, and that SGI and its licensors reserve all rights not expressly granted to you hereunder. After you pay any applicable license fees and/or the purchase price of the applicable SGI System, you will own the media on which the SOFTWARE was originally provided to you hereunder and on which you subsequently copy the SOFTWARE, but SGI and its licensors shall retain ownership of all SOFTWARE and copies of the SOFTWARE or portions thereof embodied in or on such media.

4. TRANSFER RESTRICTIONS. If you transfer ownership or otherwise dispose of an SGI System, you may transfer the SOFTWARE and all licenses and rights in the SOFTWARE granted to you under this Agreement to the transferee provided that: (i) such transferee agrees in writing to accept the terms and conditions of this Agreement, and (ii) you also transfer all SOFTWARE, including all copies thereof, to such transferee. Except as provided in this Section, you may not sublicense, transfer or assign this Agreement or any of your rights or obligations under this Agreement, in whole or in part.

5. EXPORT RESTRICTIONS. You agree that you will not export or re-export, directly or indirectly, to Albania, Bulgaria, Cambodia, Cuba, Estonia, Laos, Latvia, Libya, Lithuania, Mongolian People's Republic, North Korea, Poland, Romania, the Commonwealth of Independent States, Vietnam, China (P.R.C.) or Afghanistan (i) the technical data or the SOFTWARE that you received under this Agreement, or (ii) the direct product of such technical data or SOFTWARE, if such direct products are commodities, software or technical data described on the Control List with a letter "A" following the respective Export Control Numbers published by the U.S. Department of Commerce. The foregoing obligations will apply to you unless (a) the Export Administration of the U.S. Department of Commerce explicitly permits the export or re-export of such technical date or SOFTWARE, or (b) the Office of Export Licensing of the U.S. Department of Commerce has granted authorization to you in writing for the export or re-export of such technical data or SOFTWARE. Your obligations under this Section shall survive any termination of this Agreement.

6. ENFORCEMENT OF TERMS; TERMINATION. If you fail to fulfill any of your material obligations under this Agreement, SGI and/or its licensors may pursue all available legal remedies to enforce this Agreement, and SGI may, at any time after your default of this Agreement, terminate this Agreement and all licenses and rights granted to you under this Agreement. You agree that SGI's licensors referenced in the SOFTWARE are third-party beneficiaries of this Agreement, and may enforce this Agreement as it relates to their intellectual property. You further agree that, if SGI terminates this Agreement for your default, you will, within thirty (30) days after any such termination, deliver to SGI or render unusable all SOFTWARE originally provided to you hereunder and any copies thereof embodied in any medium.

7. GOVERNING LAW. This Agreement shall be governed by and interpreted in accordance with California law, excluding its choice of law rules.

U. S. GOVERNMENT USERS. If the SOFTWARE is acquired by or on behalf of an entity of government of the United States of America, the following provision applies: U. S. GOVERNMENT RESTRICTED RIGHTS LEGEND: Use, duplication or disclosure of SOFTWARE by the Government is subject to restrictions as set forth in FAR 52.227-19(c)(2) or subparagraph (c)(1)(ii) of the Rights in Technical Data and Computer SOFTWARE clause at DFARS 252.227-7013 and/or in similar or successor clauses in the FAR, or the DOD or NASA FAR Supplement. Unpublished- rights reserved under the Copyright Laws of the United States. Contractor/manufacturer is SILICON GRAPHICS, INC., 2011 N. Shoreline Blvd., Mountain View, CA 94043-7311.

8. DISCLAIMER OF SOFTWARE WARRANTY. SGI PROVIDES THE SOFTWARE TO YOU "AS IS" AND WITHOUT WARRANTY OF ANY KIND, EXPRESS, IMPLIED OR OTHERWISE, INCLUDING WITHOUT LIMITATION ANY WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. NO ORAL OR WRITTEN INFORMATION OR ADVICE GIVEN BY ANY SGI EMPLOYEE, REPRESENTATIVE OR DISTRIBUTOR WILL CREATE A WARRANTY FOR THE SOFTWARE, AND YOU MAY NOT RELY ON ANY SUCH INFORMATION OR ADVICE.

9. LIMITED WARRANTY ON MEDIA. SGI warrants the media on which SOFTWARE is recorded and provided to you under this Agreement to be free from defects in materials and workmanship under normal use for a period of ninety (90) days after the date of the original delivery of SOFTWARE to you. Such warranty is solely for your benefit and you have no authority to assign, pass through or transfer this warranty to any other person or entity. If you return any defective media to SGI or an authorized SGI representative during the warranty period with proof of purchase, SGI will, at its sole option, either replace such defective media or refund the purchase price for such media. This warranty will not apply to any media that has been damaged by abuse, accident or misuse. The foregoing warranty sets forth SGI's entire liability and YOUR exclusive remedy for any defects in any media and is in lieu of, and SGI disclaims, all other warranties, express, implied, or otherwise, including without limitation any warranty of merchantability or fitness for a particular purpose.

10. INTELLECTUAL PROPERTY RIGHTS PROTECTION. If any third party brings a suit against you that is based on a claim that the SOFTWARE, solely as furnished to you under this Agreement, constitutes direct infringement of any patent issued by, or copyright registered in, the United States, SGI shall defend such suit or proceeding and shall pay any damages and costs finally awarded therein against you with respect to such matter, provided that you promptly inform SGI of any such claim, furnish SGI with a copy of each communication, notice or other action relating to the alleged infringement and give SGI the authority, information and assistance necessary to settle, compromise or litigate such suit or proceeding. Following notice of a claim or a threatened or actual suit, SGI may, without obligation to do so, at SGI's sole option: (a) procure for you the right to continue to use the SOFTWARE as furnished, (b) replace or modify the SOFTWARE to make it non-infringing, or (c) discontinue your license for the SOFTWARE and refund to you any license fee that you paid for it, less a reasonable value for use, determined by prorating such license fee on the basis of a thirty-six (36) month straight line depreciation method, applied to the period of actual use. SGI shall not be obligated to defend or be liable for costs and damages if the infringement or claim thereof arises out of: (i) use or combination of SOFTWARE with products or data not provided by SGI, (ii) use of other than the latest unmodified release of SOFTWARE made available to you by SGI if such infringement would have been avoided by the use of such release of SOFTWARE, (iii) modification of the SOFTWARE by anyone but SGI, (iv) use of SOFTWARE after receiving notice, or having reason to believe, that SOFTWARE infringes a patent or copyright of a third party, or (v) a claim based on any portion of the UNIX software that may be included with SOFTWARE.

The foregoing states YOUR exclusive remedy and SGI's entire liability with respect to infringement of any patent or copyright by Software, and SGI shall have no liability with respect to any other INTELLECTUAL PROPERTY right.

11. LIMITATION OF LIABILITY. IN NO EVENT SHALL SGI OR IT LICENSORS BE LIABLE TO YOU FOR ANY SPECIAL, CONSEQUENTIAL, INCIDENTAL OR INDIRECT DAMAGES OF ANY KIND (INCLUDING WITHOUT LIMITATION THE COST OF COVER, DAMAGES ARISING FROM LOSS OF DATA, USE, PROFITS OR GOODWILL, OR PROPERTY DAMAGE), WHETHER OR NOT SGI HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH LOSS, HOWEVER CAUSED AND ON ANY THEORY OF LIABILITY ARISING OUT OF THIS AGREEMENT. THESE LIMITATIONS SHALL APPLY NOTWITHSTANDING THE FAILURE OF ESSENTIAL PURPOSE OF ANY LIMITED REMEDY. SGI'S LIABILITY ARISING OUT OF THIS SOFTWARE LICENSE AGREEMENT AND/OR YOUR USE OR POSSESSION OF THE SOFTWARE, INCLUDING WITHOUT LIMITATION ANY AND ALL CLAIMS COMBINED, WILL NOT EXCEED THE AMOUNT OF THE LICENSE FEE FOR THE SOFTWARE PROVIDED UNDER THIS AGREEMENT.

12. LAWS GOVERNING WARRANTIES AND LIABILITY. The law(s) of a jurisdiction may define the scope of warranty to be provided for products or the manner in which a supplier's liability may be limited, and such law(s) shall govern this Agreement only to the extent a party protected by such law(s) cannot waive the protection thereof by contract. In the U. S. and other countries, some states, territories or other principalities do not allow the limitation or exclusion of liability for incidental or consequential damages, or allow the exclusion of implied warranties, so the limitation and exclusion above may not apply to you, and you may have other rights that vary from state, territory or principality to state, territory or principality.
